*Phew!!! What a night at Buriton, micro-climates all over the place, but then the P883 is a bit like that, if you get a good night there i.e. "normal weather" everyone goes home with a big smile on their face, but Wednesday was grim in places. However, what a pleasant evening it turned out to be . . . . . when we finished! Congratulations the Caitlin Peters for her win in the Women's event & to Mark Smith who finished just eleven seconds slower than the previous week, but then we all know he had a dry run!!!*

*This event completes our mid-week 2019 Summer Series, once again it has been "interesting" & that has been due to you the riders not only entering into the spirit of the events, but your determination to push for the best possible result.*

*Lastly, a big thank you to riders from other clubs that have helped us (dcb & Paddy) to put these events on. We both, thank you very much*
