

Ladies and Gents,

Firstly, I would like to thank you all for making my job as easy as it was yesterday!

As most of you will be aware, these events don't happen without a lot of hard work, by both the organiser and also from the marshal's, time keepers, helpers in the HQ, and of course bakers for post-race cake!

From a Start Sheet of 150 riders, plus 20 Reserves, I managed to offer all Reserves a ride, so to those who did DNS(A) (for whatever reason) – on behalf of the riders who got a ride - THANK YOU!

Once all expenditure has been calculated, I will send another message through the CTT Portal to let you all know how much was raised for over the course of the event, and therefore how much will be donated to Charity, along with which charity you have all so graciously supported.

Hopefully, by the time you read this, the results will be available on the CTT Portal, so if anyone has any queries, please contact me directly.

The more observant of you may have noticed a photographer at the Tring RAB – his photos can be found at the link below, and he has given permission for the photos to be shared/ downloaded etc as required. Thank you to Trevor Hill of Berkhamsted Cycling Club for the photos and allowing them to be shared. LINK -> <https://www.flickr.com/photos/139426731@N05/sets/72157710742335196/>

Finally, again, thank you for entering and riding the event, and I look forward to seeing you at more IRC events next year!

Warm regards

Matt Price
