(Vet on Standard Times are taken from the VTTA website using the custom distance selection of 13 miles).

RS13 COURSE DESCRIPTION

START on the B4242 Old Vale of Neath Road at unused entrance just south-west of the new Health Centre in Glynneath. Proceed south-west on the B4242 to Resolven junction. Continue south-west on the B4242 passing through Abergarwed village and Ynysarwed village to the 'Rock and Fountain' hill, climb and continue to TURN with care at the break in the dual-carriageway opposite the Groundhog factory at Ynysygerwen, SA10 8HH (6.5 miles). Descend hill and retrace route north-eastwards along the B4242 through Ynysarwed and Abergarwed village. Continue north-eastwards past Resolven junction and Rheola Pond to FINISH directly opposite the start.

RACE H.Q. – RESOLVEN AFC LIMITED SPORTS & SOCIAL CLUB, RESOLVEN, SA11 4LD

You'll get to the event via the A465 and travelling up from the 'south' (Neath and the M4) you'll come to the Resolven roundabout and you then need to take the fourth exit (i.e. almost back on yourself). Coming down from the 'north' (Hirwaun) go straight on at the McDonalds roundabout and then at the Resolven roundabout take the second exit left (just before you continue down the dual-carriageway).

Please do not park in the small car park alongside the event HQ – it would be nice to reserve that little area for the organiser, timekeepers, marshals and the catering team. There is plenty of car parking just a little bit further away but there is no car parking near the start line and to attempt to park there will endanger competitors.

The headquarters will be open at 17.30hrs and race numbers will be available soon after. Please remember to sign in and look out for any updated safety information and please also remember to sign out when you finish!

All competitors must, at all times, obey the rules of the road and the rules of our sport. Please don't take any unnecessary risks and make getting back home to your families your first priority and a fast time your second priority. Keep your head up and have a safe and speedy ride. Please note that you will NOT be held up at the start.

Please take care when warming-up and avoid turning in the road. Competitors are not allowed to pass the start or warm-up on the course once the event has begun so please time your arrival to the start with care although you can safely keep warmed up whilst also staying behind the start.

No competitor shall be permitted to start unless such competitor has affixed to the front of their machine a working white light and to the rear of their machine a working red light. Both lights can be either flashing or constant but they must be in a position that is clearly visible to other road users.

In addition, all competitors must wear a properly affixed helmet which must be of hard/soft shell construction.
