### Instructions for riders and others:

Although Covid-19 restrictions remain in place the sign on / off desk will be covered by TVC marshals, but you should bring your own pen to avoid unnecessary cross contamination.

Please ensure you read the Covid-19 risk assessment prior to signing on and aim to arrive 30-40 minutes before your start time, dressed to race as there are no changing facilities at the HQ – Changing in toilets will not be allowed. Note that while spectators are welcome this year good social distancing practice should be followed.

Keep your head up at all times.

Please respect social distancing at the start and be aware there will be no push off, all riders will start with one foot on the ground. Do not leave any personal possessions with the Timekeeper. Do not stop at finish to ask for times. Return as soon as possible to HQ.

In the interest of your own safety, the CTT and the event promoters strongly advise you to wear a hard-shell helmet that meets an internationally accepted safety Standard. Regulation 15 requires all riders of 18 years and under to wear a suitable Helmet.

**It is now compulsory that a working rear light, either flashing or constant, is fitted to the machine in a position clearly visible to following road users and is active whilst the machine is in use.**

This event may be subject to a Doping Control. It is your responsibility to check if you are required for Doping Control. Race numbers required for Doping Control will be displayed at the HQ.

If your number is displayed, you should report immediately to Doping Control which will be nearby. Remember, it is up to you to check and ensure that

you comply, if required, you must report to Doping Control after finishing without delay

There will be no presentation of prizes after the event, winners will be notified after the event and results circulated. Riders should pack away and leave the area after the event and avoid congregating as a mark of respect to the local village residents and the wellbeing of other riders and marshals.

### **Course – OHC/2**

The course is 0.3 miles, Ave Grade 9.5%, Max 14.7% according to Strava

<http://www.strava.com/segments/2443600>

### **Local Rules**

**Riders must always keep well to the left**

**No Parking whatsoever in Brookhouse village (at the start)**

**All parking on the right-hand side of the flat summit beyond the finish leading to Carr Lane**

**Riders must not ride down the hill once the event has started but follow the signed route to the start.**

**From HQ to the Start Line – 2 miles**

### **PLEASE NOT ALL RIDERS MUST FOLLOW DIRECTIONS TO THE START LINE AND NOT RIDE DOWN THE HILL TO THE START LINE**

To avoid people riding down the route to the start line whilst riders are riding up Bib Lane. All riders must take the alternative route to the Start Line. From leaving signing on at HQ, you will go to the end of Tunwell Road and take a left turn up Carr Lane, a little bit of a hill to get the legs warmed up! You will then go past Bib Lane on your right carrying on Carr Lane down the hill towards Slade Hooton. At the end of Carr Lane you need to

take a right on to High Hooton Road, the road then takes a sharp right and left turn onto Hooton Lane. Down the hill then you need to take your first right turn on to Main Street heading towards

Brookhouse. Keep on this road for around 0.75 miles then you will see a right turn this is on to Bib Lane, the start line.

### **Covid 19**

This event is being delivered in compliance with Government restrictions and CTT Risk Assessment for Covid-19 09/08/21

The key points affecting you as a competitor are:

- Competitors should plan to arrive 30 – 40 minutes before their start time to allow time to sign in, warm up and get to the start line and not attend if they feel ill in ANY way or if family members have any symptoms.
- An elevated resting heart rate or exceptionally quick to react heart rate during warm up can suggest an underlying asymptomatic illness of ANY kind. You should NOT start the event (DNS) and leave immediately. Do not go to the start line if you feel this is the case and notify the organiser of your intention not to start because of an adverse warmup.
- It is preferable for all warmups to be conducted independently and ideally competitors should warm up on the road individually. The use of turbo trainers or rollers can be considered if warming up is carried out independently away from the sign on area and provided an absolute minimum of 2 metres social distancing from others.
- Riders MUST NOT gather in anyway regardless of current guidelines in the HQ area or elsewhere.
- Competitors on finishing MUST NOT stop at the finish and MUST NOT loiter at the HQ. There will be no results posted at the HQ during the event and no prize giving after the event. Winners will be notified, and results posted to all competitors.
- After finishing competitors must complete the sign out sheet and return their number to the bin provided. You MUST then pack away and leave immediately.
- No support can be provided if a competitor suffers mechanical difficulties.
