RACE H.Q. – RESOLVEN AFC LIMITED SPORTS & SOCIAL CLUB, RESOLVEN, SA11 4LD

You'll get to the event via the A465 and travelling up from the 'south' (Neath and the M4) you'll come to the Resolven roundabout and you then need to take the fourth exit (i.e. <u>almost</u> back on yourself). Coming down from the 'north' (Hirwaun) go straight on at the McDonalds roundabout and then at the Resolven roundabout take the second exit left (just before you continue down the dual-carriageway).

Please do not park in the small car park alongside the event HQ – it would be nice to reserve that little area for the organiser, timekeepers, marshals and the catering team. If you park there you will be asked to move. There is plenty of car parking just a little bit further away e.g. further around on the industrial estate (quiet on a Saturday afternoon). There is no car parking at the start line and to attempt to park there will endanger competitors.

New for 2024! — Please do not use the main café car park (i.e. in front of the café building) as it potentially has an impact on their business because to normal café users it looks as if the café is choc-a-block so they turn around and go elsewhere. The café manager has kindly given us an area to the far left of the café so that's where to go please!

The headquarters will be open at 13.00hrs and race numbers will be available soon after. Please remember to sign in and look out for any updated safety information and please also remember to sign out when you finish!

All competitors must, at all times, obey the rules of the road and the rules of our sport. Please don't take any unnecessary risks and make getting back home to your families your first priority and a fast time your second priority. Keep your head up and have a safe and speedy ride.

No competitor shall be permitted to start unless such competitor has affixed to the front of their machine a working white light and to the rear of their machine a working red light. Both lights can be either flashing or constant but they must be in a position that is clearly visible to other road users.

In addition, all competitors must wear a properly affixed helmet which must be of hard/soft shell construction.
