F11/10 Additional Course Information

This course often sees several riders with no finishing time (DNF) because they DO NOT follow the course and the specific finishing instructions, which are in place for the rider's safety, as cars can enter the slip-road early and at speed.

You are advised to fully study the illustrations & photos which follow:

Cars DO enter the slip road early, so beware!

The following two riders are demonstrating etiquette which WILL result in a DNF (no time issued)

By quirk of fate a previous event was recorded on Google Maps (satellite view), and if you look carefully you can see:

- The start timekeeper with riders ready to start.

- Riders on the course
- The finish time keepers and their cars
- The finish line can be seen!
- The big white fork arrows that you must remain to the left of at the entrance to the finish slip road.

Local Regulations

- **Local Regulation 1** – No U Turns should be made at any time while riding on the public highway.
- **Conduct in the Start Area** - DO NOT RIDE YOUR BIKE UP THE SLIP ROAD WHERE THE START IS LOCATED. Should you need to leave the Start Area prior to your start, you **MUST** walk your bicycle up the slip road. Any competitors observed riding up the slip road will be not be allowed to start and may face further sanctions.
- **Car Parking** - There must be no parking of motor vehicles on any part of the A41 apart from those of the officials. All parking must be in the HQ car park.
- **HQ to start route** Please note that the route from the HQ to the Start is a reasonably steep hill so allow at least 15 minutes to get to the start from the HQ. It does however provide a good warm-up!
