HQ – Minety Village Hall, Hornbury Hill, Minety, Malmesbury SN16 9QH.

From the B4040, turn north on to Silver Street, follow the road as it turns left into Hornbury Hill. The HQ is approx 0.2 miles along Hornbury Hill on your left.

The HQ will be open from around 5am. **No cleats to be worn in the village hall at any time.**

Please be mindful of local residents park considerably and legally. Be quiet early in the morning. No Turbo trainers or warming up in the car park or within 100m of residential property.

Route to Start

Leave the HQ turn right, follow Hornbury Hill and Silver Street back to the B4040 Minety Crossroads. On reaching the B4040 at the Turnpike Inn, carefully cross straight over onto the minor road. The start is approximately 1 mile down the road.

Marshalls

Each turn on the course will be marked with arrows ahead, there should be a marshall at each of the five turns on the first couple of laps. Where possible we will marshall throughout the event, but we may not have sufficient marshalls to do this so make sure you know the course.

Bottle Station

My hope is we can run a bottle station around the top of the minor climb between Garsdon and Minety cross roads. You will need to ensure all your bottles are labelled (available at HQ beforehand) with your race number and drop off in the box at the HQ before the start. We will have a number checker and hand the bottle to you if possible, but it will be your responsibility to get your bottle please remember these are volunteers doing you a favour and be mindful of other riders. Any bottles you want to discard, only do so in the metres prior to the bottle station, they will be collected and returned to HQ post event for you. **Check on the day if we are able to do this.**

Signing In/Out

Riders must sign on at race HQ to collect their number and check for any last minute information regarding the event or course.

Please return your number for a free tea or coffee, and ensure you sign out at the same time.

Failure to sign-on AND sign-off will result in DNF recorded on your result
