## NOTES:

- When you sign on, please indicate whether you are riding for the LVRC or VTTA for the team prize (if you are a member of both, you can choose which you ride for), and whether you are riding a road bike\*.
- In the interests of your own safety, Cycling Time Trials and the event promoters strongly advise you to wear a hard shell helmet which meets an internationally accepted safety standard. This is mandatory for riders under age 18.
- Please do not use the course to warm up once the event has started. No U-turns in sight of the start or finish.
- Give way to traffic at junctions if you do not have right of way. Marshals have no authority to stop traffic.
- Results will be posted at the event HQ. **Do not** return to the finish area to ask the timekeeper.
- Please return your number to the event HQ in exchange for a free drink, and **sign out**.
- Results will be posted on the CTT, LVRC and VTTA websites.

The **Veterans Time Trials Association** was founded in 1943 and is for anyone 40 years of age and over who has an interest in cycle racing, and specifically in time trialling. For administration the Association is divided into 16 groups, based around geographical areas. Through these groups the VTTA organises time trials at all distances across the country. There are Individual Challenges, National Competitions, Local Competitions, and Social Events.

The **League of Veteran Racing Cyclists** was founded in 1986 to provide a programme of competitive and social cycling events for male and female members of 40 years and over. Most of its events are road and circuit races where riders compete against others in their own age group. Other events include time trials, track competitions and cyclo-cross races. National Championships are held in all these disciplines, as well as a national and regional season-long series of road races.

The **Welland Trophy time trial** was first run in 2015 and was the first event run jointly by the LVRC and VTTA in order to bring our members together in a competitive event, and to understand better each other's organisations and activities.
