COVID-19 Rules

As COVID restrictions are still in force we have to make certain changes to how the event is run this year. We will return to normal service at future events once all the restrictions are lifted.

The village hall should be used only to use the toilets, to collect your number and sign-in and sign-out. Depending on the weather, refreshments may be provided outside. Please sanitise your hands and wear a facemask when in the hall, and maintain a 2 metre distance from other people.

Do not remain in the hall. You are welcome to consume the refreshments outside of the hall, but please remember to observe social distancing and do not congregate in large groups.

Please bring a pen to sign in, and your own cup if you want a post-race drink.

There will be no pusher-off at the start.

There will be no results issued or prize presentation.

Results will be published online as soon as possible after the event.

Prizes will be distributed by bank transfer or Paypal.

See our Facebook page for result announcements:

Also Remember:

- You must use a working rear light.
- You must sign back in and return your number after you have finished.
- Remember that your safety is your first priority and not your performance.
- Give priority to traffic from your right when negotiating roundabouts and signal clearly to other road users.

Have a good, safe race.

The course consists of two out and back laps. You will negotiate the Kingston Bagpuize roundabout (A420/A415 junction) 3 times:

2. After approx. 24 miles **turn** at the roundabout to start the second lap.
3. After approx. 48 miles **continue straight over** towards Oxford.

As you approach the roundabout, until they see your number the marshals will not know which lap you are on and will not be able to tell you whether to turn or not. It is up to you to know the course!
