Additional Information

Parking

There is unlikely to be sufficient parking for all in the Wake Park car park.

In previous years competitors have parked on the east side of section of road between the start and finish areas and not in Bishopton village while competing.

Please consider the residents of Bishopton Village and do not restrict their access to properties.

Prizes

Details will be posted on each event on the CTT website in the following days.

The Prize fund is reduced this year even with increased competitors due to increased costs – hiring the Portable Toilets and HQ – I am still awaiting the final costs for the toilets.

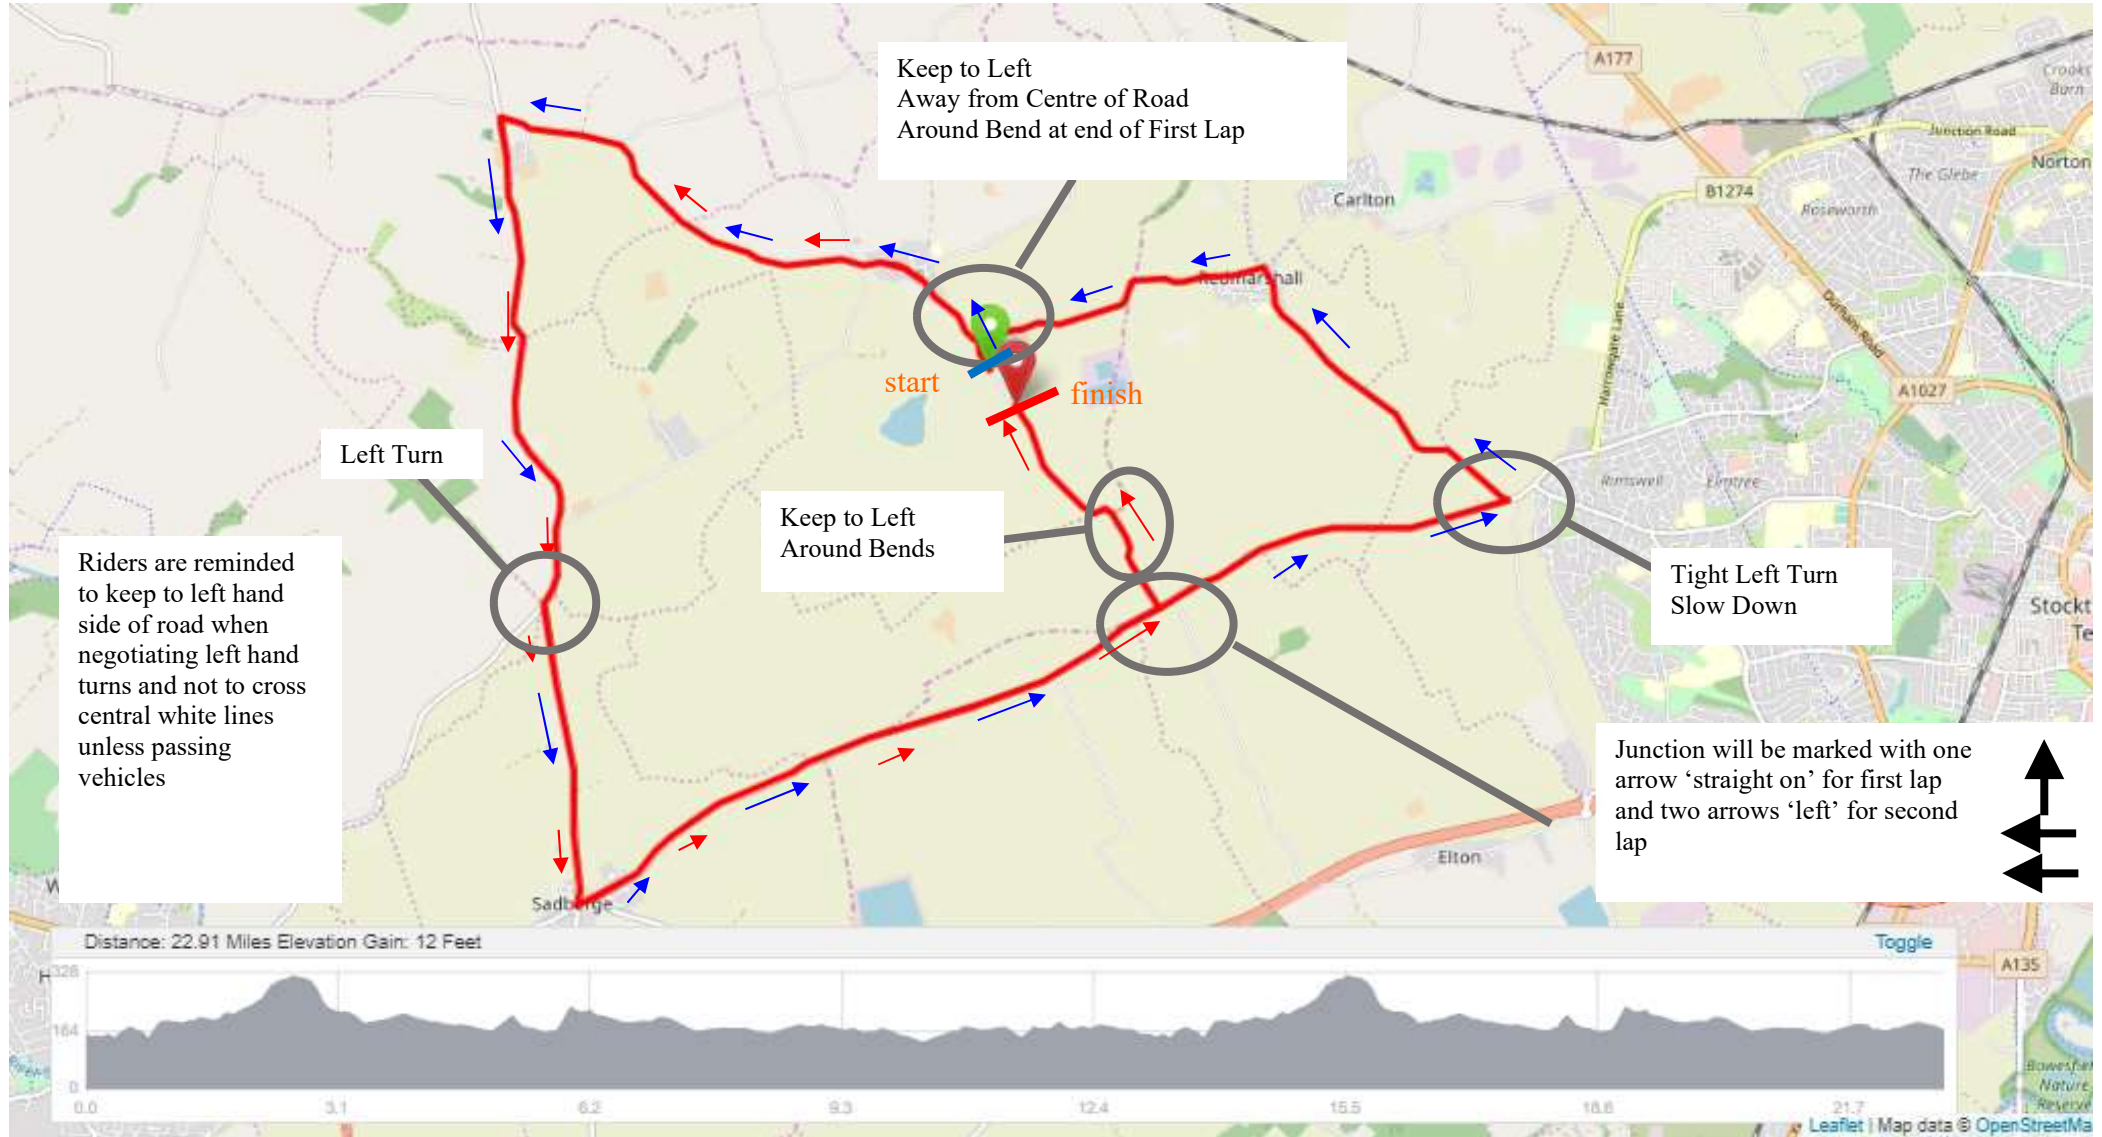

Reminder

A rear light working in flashing or constant mode, affixed to a competitor's cycle
