| Horse rider safety | PASS WIDE AND SLOW! <br> A serious complaint has been made regarding dangerous overtaking of horse riders on this course. Such behaviour threatens the existence of the event. Please pass horses widely and slowly, it's more important than a few seconds on this sporting course. Any rider deemed to have passed a horse inappropriately may face disqualification as per CTT regulation 20 (a). |
| Course notes | - Please navigate to the course start via Dog Trap Lane (see below) <br> - Do not warm up on the course once the event has started. <br> - While waiting for your start, please use the hardstanding on the opposite side of the road, space is very limited at the start line so please do not line up for your start until 2 minutes before your allocated time. <br> - Avoid making U-turns near to the start or finish of the course. After crossing the finish line proceed back to HQ. <br> - Be aware that the course features a number of sharp turns, especially on the B4042 after the start. Take care when navigating these turns. <br> - Marshalls will be in place at all turns to help guide you, but it is your responsibility to know the course route, particularly after the second loop is completed and you return back to the finish from the roundabout on the A429. The main loop is illustrated below. Please study the course carefully. <br> - Please SHOUT your number as you cross the finishing line |
