### **NOTES AND LOCAL REGULATIONS**

The Risk Assessment document will be available at Signing-On but we highly recommend you read this, in advance, on the CTT District website (<https://manchester.ctt.org.uk/>) – especially those riders who are not familiar with the course and its junctions (plus its ruts and potholes).

### **CARE AT ROAD JUNCTIONS**

Riders must exercise care at all junctions. Any competitor whose riding line causes him/her to cross the white line when approaching or leaving a junction will be liable to disqualification and may be reported to the District Committee for further disciplinary action.

### **CHELFORD ISLAND**

Riders must negotiate Chelford Island in a safe and sensible manner in accordance with CTT Regulation 20, and the rules of the road. Riders must be able to brake and stop at the island if traffic conditions require this. Riders **MUST NOT USE** their tri-bars between the first bollard they pass on entering the island and the last bollard they pass leaving it. Any rider seen to be in breach of this regulation will be disqualified from the event and may be reported for further disciplinary action.

### **SAFE RIDING**

Riding with your head down such that you do not have a good view of the road ahead is dangerous - please watch out for potholes, obstacles, and other road users.

Marshalls do not have the authority to control other road users, so please take care.

### **START AND FINISH**

No “U” turns in the vicinity of the start or finish.

Riders must not stop at the finish but should instead continue back to the headquarters.

### **VEHICLES**

A competitor must not be preceded, accompanied, followed by or in any way receive assistance from a motorised vehicle or its occupants during events shorter than 100km (CTT Regulation 22).

No parking for riders or spectators at the start or finish. This is both for the safety of riders at the start, and because of limited space.

**Parking is available at the headquarters, please be considerate towards local residents.**
