### Event HQ and Race Numbers

Race Numbers and signing on/off sheet will be in the event HQ Seamer village hall. The village hall is the building on the outside of the 90 degrees left hand bend when passing through Seamer from the event start (photo in course details document)

Numbers can be exchanged for a drink and cake in the village hall after the event where the result board will be located. Prize presentation will be in the village hall after the event.

Please note that the start of this course is about 1.6 miles (mostly downhill) from the village hall. After finishing please continue without stopping on the A172, taking the next left to Stokesley and then turning left at the T-junction in Stokesley to arrive back at start.

### Local Restrictions / Parking

Please do not park on the verges at the start. The road between the village hall and the start provides plenty of opportunities for parking and is ideal for warming up. For signing on and results, there is limited parking outside the village hall but there are many spots around the village green in Seamer. Please be considerate parking close to properties and be aware that the road outside the hall is access for a farm where some wide vehicles may need to pass. Please do not use turbo trainers within 100m of residential properties. No U-turns within sight of the start line please.

Please keep the sport safe and hope everyone has a good ride!
