**Promoted for and on behalf of Cycling
Time Trials under their rules and
regulations.**

Barnesbury Cycling Club

Est. 1923

Affiliated to: British Cycling, Northumberland & Durham Cycling Association and Cycling Time Trials

Important

As this event is taking place only a few days after the relaxation of lockdown restrictions, we will be running a stripped-down event. It is extremely important that you read and follow the rules & guidance below as we are concerned not only for your safety, but we are very aware that an event of this size will be subject to scrutiny by members of the public and the populations of Belsay and the villages you pass through.

Negative, irresponsible or unwanted behaviour reported by the general public to the authorities could have negative consequences for future events this summer.

TLDR?

Ride up, race, ride home. No headquarters, no facilities, don't congregate in groups. Bring your own pen and pins. Do not park in Belsay, the Start layby or on the course. Maintain Social Distancing.

- **We are advising all riders to ride to the event.** Under no circumstances should riders park in Belsay Village, on the course or in the layby at the start – this is reserved for officials and so we can maintain distancing between the riders waiting to start.
- **There will be no headquarters, facilities or catering this year.** Sign on will be in the start layby – bring your own pen to sign on and pins for your number if needed.

Headquarters

None. Sign on at the start layby

Parking

None – we are advising all riders to ride to the start or to be dropped off/collected away from Belsay. **DO NOT PARK** in BELSAY, the start layby, on the course or anywhere that would be a hazard or inconvenience anyone.

DO NOT park on grass verges and take care not to block drives.

Please use the litter bin provided for drinks and gels etc. No rubbish to be left on the course. If you do decide to drive to near the event, ensure any vehicles are parked safely and without hindrance to other road users. CTT advise no parking on verges.

Signing on and off

Each rider must sign the sign-on sheet before collecting the designated number. Each rider must sign for themselves and nobody else. Once the course has been completed, riders must sign off. Failure to do so **WILL** result in disqualification. Numbers this year are disposable, so no need to return them. Any juniors, who have not completed a parental consent form, must do so before signing on.

Sign on will be open from 11am.

New CTT regulations state that all competitors MUST SIGN OFF. Failure to do this will result in a DNF.

Results

Provisional results will be posted on the Barnesbury website after the event: <http://www.barnesbury-cc.co.uk/events/2021/detail/2391/Hilly-21#results> & [CTT](#) in due course. There will be no results posted at the event.

Course and Rider Information

Additional risk information for competitors

Due to the current condition of the road in various places on the course, riders must take extra care when moving on the carriageway.

It is recommended that, wherever it is safe to do so, and in showing consideration to other road users and competitors, that riders may be better riding off the gutter and nearer the centre of the road to avoid poor road conditions.

Parts of the course have been resurfaced, however there are still many areas of the course where the road surface is less than ideal with numerous potholes of quite substantial depth. Hitting these at speed, and in particular when on a Time Trial machine and on the extensions, could cause problems for both rider and machine.

Riders should take care at all times and a look at the course prior to racing is **highly recommended**.

New District Regulation re Right Hand Turns

Riders shall not cut corners at right-hand turn junctions on courses i.e. they must observe road markings and not move to the right-hand side of the road being turned out of or in to. Any rider reported not following this District Regulation shall automatically be disqualified from the event.

Start at Belsay on unclassified road 200m north of junction of A696 and B6524.

Proceed north on unclassified road via Bolam Lake to junction with B6343 (6.4 miles).

Turn left to Scots Gap taking the first right onto unclassified road to Rothley Cross Roads (9 miles). TAKE CARE at right turn to look up for oncoming traffic.

Barnesbury Cycling Club

Est. 1923

Affiliated to: British Cycling, Northumberland & Durham Cycling Association and Cycling Time Trials

At Rothley Cross Roads turn left onto B6342 to Cambo where left onto B6343 to Scots Gap.

Continue along B6343 to first turn right TAKE CARE at right turn to look up for oncoming traffic onto unclassified road in direction of Belsay to finish opposite start.

Safety Notes

This course is set in beautiful countryside; however, it is challenging to even the most experienced riders with high speed descents, some poor road surfaces and early season weather conditions.

Riders should obey the highway code at all times and in particular not cut corners or take risks with control of their bike on steep/long descents and into corners.

In addition to their personal safety riders also have a responsibility to the sport to ride in both a fair and safe manner.

Safety information and on the day risk assessment will be available when you sign in for the race and an experienced club member will be available for younger riders and novices to discuss any concerns about the course and conditions.

You are advised that:

- No U-Turns are to be made in the vicinity of the timekeeper and no dismounting in the finishing area.
- Take extra care at road junctions and particularly at the T-junction for Scots Gap and the right turn for Rothley Cross Roads.
- No cutting corners or crossing white lines – if witnessed by an official you will be disqualified.
- Head up and watch out for potholes and oncoming traffic.

Barnesbury Cycling Club

Est. 1923

Affiliated to: British Cycling, Northumberland & Durham Cycling Association and Cycling Time Trials

- TAKE GREAT CARE ON THE DESCENT AND CLIMB OF MIDDLETON BANK
- You are responsible for navigating the course – familiarise yourself with the course – a map is available on the CTT website

In the interests of your safety, we recommend that **all competitors wear a hard shell helmet** and start the race with a **working red flashing rear light**.

Junior riders **MUST** wear a hard shell helmet.

Riders

To assist the timekeepers at the finish line can you please ensure that your number is correctly placed and visible from the rear in line with CTT regulations noted below. If your number is too high, the Time Keepers will not be able to see it. "The number shall be centrally positioned

below the waist so as to be clearly visible from the rear when in his normal riding position. Position number as shown."

If the timekeepers cannot see your number clearly by being too high or obscured by outer garment such as a gilet, your time may not be recorded resulting in a DNF.
