Thank you for entering the BJW 42km Sporting time trial. (a 10mile single lap version of this course was used for National 10tt championships in September 21) This is a sporting course circuit on usually quiet roads set near the Jurassic coast that has a bit of everything climbs, descents, technical minor roads, a sense of déjà vue and occasional gun fire across the tank ranges. The course is approximately 2 & 1/3 laps of the circuit, you will go through the finish area 3 times during the race the 3rd time you cross the line you have **finished**.
