

# Solihull CC Open Double Hill Climb

Saturday 19<sup>th</sup> September 2020

First Rider off at 10.11 & 12.11

**Promoted for and on behalf of Cycling Time Trials under their Rules and Regulations**

Organiser – David Fellows – 07837974224

Event HQ  
Joinery Classics LTD  
Weston Road  
Evesham  
WR11 7QB

The HQ will be open for sign on at 8.30am  
No competitor parking at the start of either hill  
The finish timekeeper on the day will be Mike Pridmore-Wood  
The courses we will be using is

KH28 - Saintbury – First Rider at 10.11

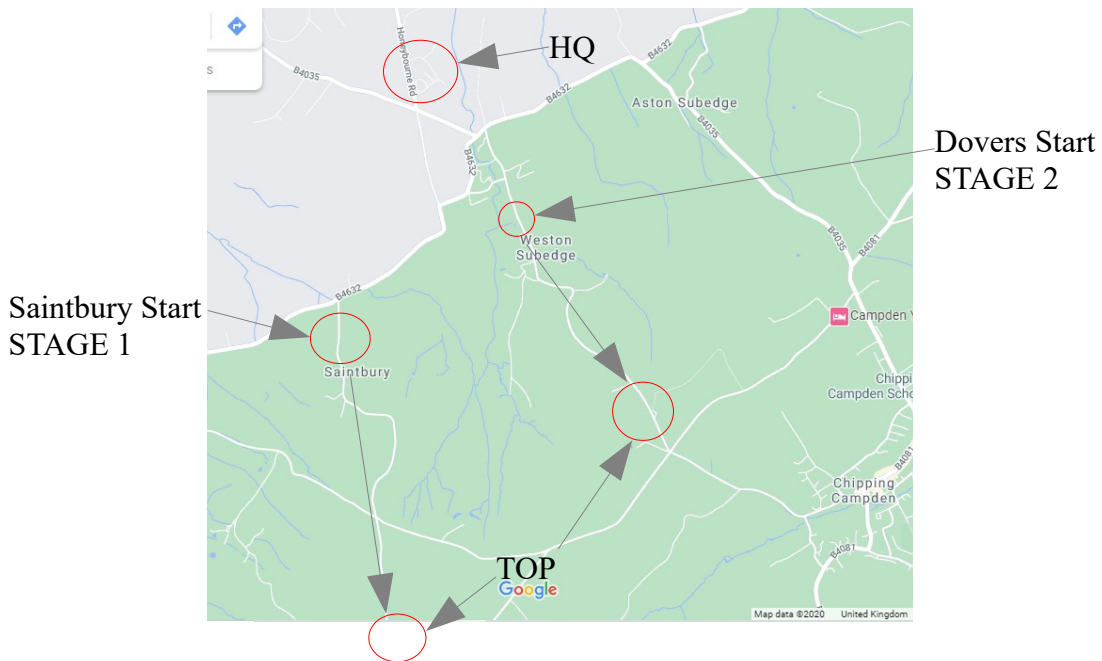

KH27 – Dovers – First Rider at 12.11

The onus is on the competitor to know the courses  
All competitors aged 18 or UNDER MUST wear a HARD shell helmet  
All competitors over the age of 18 are STRONGLY advised to wear a helmet  
All competitors MUST start the event with a WORKING rear light  
Please no more than 3 riders at the starting point at any one time  
Competitors MUST sign OUT after their ride or they will be recorded as a DNF

Please respect any social distancing measures at all times  
Turbos will be allowed however please use them close to your own vehicle & DO NOT congregate

There will be a toilet facility, This is NOT to be used as a changing room under any circumstances – anyone seen getting changed in the one toilet we have to use will be DQ'ed (as it is my pet hate as a rider) Please use for emergencies only.

I've been lent the use of this area as an HQ by The lovely people at Joiner Classics – Most notably Ian Broderick. He has requested we leave the area as we found it, ie nice & tidy! Hopefully one day – if all goes well – we may see a national return to Weston Sub-Edge with the use of this HQ, so if you enjoyed the event – don't spoil it for your future self!

From HQ to Saintbury  
 Turn Left out of industrial estate  
 Straight on at Cross roads  
 Right onto B road  
 Left onto Course  
 1.5Miles

From HQ to Dovers  
 Turn Left out of industrial estate  
 Left at crossroads  
 Left onto B road  
 Right onto the course  
 1 Mile

Saintbury Length is 2288 Yards @ 8%

Dovers Length is 1487 Yards @ 10%

There will be prizes on the day & hopefully I can setup a google document that can be updated for live results – I shall communicate all this info to you in good time!

Hope you all enjoy the event & I hope the weather is kind to us!
