Important Information:

Parking spaces at the HQ are very limited and will mainly be occupied by race officials / volunteers. Please park in the local area whilst demonstrating a high level of respect for local homeowners. There are many lay-bys and lots of available parking around the start / finish areas. Please utilise these as much as possible. Where possible, please cycle to the HQ to collect & return numbers... think of it as extra training ;)

If you do need to park in the housing estates around the HQ, please DO NOT lean bikes against other peoples property. There have been various complaints aimed towards cyclist by the locals over the years. It's important we respect the concerns of the local people to ensure the Stone Village Hall remains available to us (and other Clubs) in the future.

Please remember we are starting early (for some) and to keep noise around the HQ to a minimum.

PLEASE REMEMBER YOUR FRONT & REAR LIGHTS!
