## Awards/prizes

Cash prizes will be awarded to the fastest two competitors in the female category and the fastest two competitors in the male category, as follows:

- 1st - £20
- 2nd - £15

Subject to the below, there will also be cash prizes of £20 each for the fastest female and male Veterans.

The fastest veteran (in each gender category) will not be eligible for the positional cash prizes for the fastest two competitors in the female/male categories (as detailed above). Furthermore, any such cash prize that would have been awarded to the fastest female or male Veteran had they been eligible for the same will not be reallocated to the next fastest rider in the relevant gender category but will go unawarded.

For example, if the fastest Veteran in the male gender category is also the second fastest male overall, then he will be awarded £20 as fastest male Veteran but he will not also be awarded a positional cash prize as second fastest male overall. The fastest male overall will receive a positional cash prize of £20 and the positional cash prize of £15 for second fastest male overall will not be awarded.

Similarly, if the fastest Veteran in the female gender category is also the fastest female overall, then she will be awarded £20 as fastest female Veteran but she will not also be awarded a positional cash prize as fastest female overall. The second fastest female overall will receive a positional cash prize of £15 and the positional cash prize of £20 for fastest female overall will not be awarded.

Please note that prizes will not be awarded on the day. We will instead contact the winning competitors as soon as reasonably practicable following the event to make the awards.
