There is a small car park beside the hall and plentiful in the Watercress Company who have kindly offered the use of their parking spaces. There are no changing facilities available so **please arrive ready to ride**. There are toilet facilities in the hall available to use but is a 'one in one out' policy to comply with the village hall risk assessment.

**Sign-On: Sign on will open at 08:00am from inside the hall.**

A parental consent form is required for any rider under 18 years of age. Please print off and complete a "parental consent (open events)" form at the link below. Unfortunately, **no form means no ride**.

**Warm Up:** Rollers or turbos will not be permitted in the village hall car park out of respect for other users. Preference is for riders to warm up on the local roads there is a quiet road halfway to the start marked Ox Drove Way on google maps. We'll have a marshal there to guide you.

## Route from HQ to start

The start is on Spiers Lane approximately two miles from sign-on so **please allow approximately ten minutes** to ride from HQ to the start. We will be allowing 5 riders at a time at the start so please arrive a **maximum of 4 minutes** before your start to avoid large gatherings.

## Course details

This event is being run on the HCC283 (10) course. **Please ensure you have working FRONT and REAR lights and are wearing a hard-shell HELMET** which are now all requirements in CTT events. As we are now all familiar with, there will be no pusher-offer, so start will be with one foot down. There is only one turn on this course as you enter Preston Candover which will have a marshal in place.

- START on Spiers Lane at layby, approximately 1 km North of Monkwood Sawmill.
- Proceed North on Spiers Lane towards Preston Candover, to junction of Spiers Lane/B3046.
-

Turn left and head South along B3046 towards Northington and through to Old Alresford.

- FINISH at Old Alresford village sign, opposite St. Mary's Church, (15.7 km).

Please note you need to pass HQ and have one final little uphill to reach the finish line. Do not sit up when you get back to the Christy Hall thinking that you have finished!

At The End: When you cross the finish line, please shout your number to the timekeepers as loud as you can possibly muster at the end of your ride, and then keep rolling until it is safe to turn around and return to HQ. It is recommended that you continue for approximately quarter of a mile past the finish line and turn at the junction of Bighton Lane on your left-hand side. Results will not be published at HQ but will be available online ASAP.

Finally: We are grateful to Christy Hall for allowing us to use the premises. Please respect the residents and community by being considerate in all your actions.

## Local regulations

IN THE INTERESTS OF YOUR OWN SAFETY, Cycling Time Trials and the event promoters require you to wear a HARD-SHELL HELMET that meets an internationally accepted safety standard. It is also compulsory that WORKING FRONT & REAR LIGHTS, either flashing or constant, are fitted to the machine, are illuminated and in a position that is clearly visible to other road users
