Unfortunately, due to roadworks on the Berkeley loop near Wanswell, we are not able to use the U17 as it currently stands. The revised course (U7X) is simply a shortened version solely using the A38 but still with the original start/finish points.

Local regulations

CTT guidance reminds us that riders should not exceed speed restrictions. This is part of riding and racing safely. Riders in West District must not exceed speed restrictions and should not over take other road users unless it is safe to do so. An example would be overtaking a slow moving vehicle such as a tractor, where the road is wide enough.
